OFFICIAL YVES CALVI ON LCI THIS AUTUMN

Yves Calvi is to join LCI this autumn to present a daily early-evening show.

Catherine Nayl, the TF1 group's Executive Vice President News, said: "*We are delighted and proud to welcome Yves Calvi to LCI. His arrival demonstrates our ambition for LCI. As an experienced broadcaster and consummate professional, he will be a great asset to our channel.*"

Yves Calvi began his career at RFI in 1986 and then joined France Info, moving to Europe 1 in the mid-1990s and LCI in 1994. In 2001, he created the current affairs magazine *C dans l'air* for France 5, which he still presents today. In 2005, Yves Calvi took over *Mots croisés*, a bi-monthly politics show on France 2. He also launched *Nonobstant*, broadcast on France Inter in 2007, and has been lead presenter on the RTL morning show since the autumn of 2014.
